

In case of fire

IF YOU DISCOVER A FIRE -

1. Operate the fire alarm by breaking the glass. The alarm will sound automatically.
 - a. Lift the receiver and dial '999'.
 - b. Give the operator your number and ask for the Fire Brigade.
 - c. When the Fire Brigade answer say distinctly -

"Fire at"

DO NOT put the receiver down until the Fire Brigade have repeated the address.

- d. Wait in a safe area until the Fire Brigade arrives and tell them where the fire is.
